

**BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA**

Order Instituting Rulemaking into the issues of safety certification for rail transit agencies and other public transit guideways.

Rulemaking 02-01-009  
(Filed January 9, 2002)

**ADMINISTRATIVE LAW JUDGE'S RULING  
SETTING DATES FOR WORKSHOP REPORT AND COMMENTS**

A prehearing conference in this matter was conducted on July 9, 2002, followed by a second workshop conducted by staff of the Commission's Consumer Protection and Safety Division. At hearing, the parties agreed on the following schedule:

August 7, 2002     Staff will file and serve a report on results of the workshop. If appropriate, staff also will serve a revised draft General Order 164-C, and a recommendation on whether formal hearing will be necessary.

August 21, 2002     Parties may file and serve comments on the staff's workshop report, draft general order, and recommendation on hearing.

Parties will be notified by an Administrative Law Judge's Ruling in September whether this matter will continue through further workshops, formal pleadings, or evidentiary hearing. If a hearing is set, the tentative schedule includes an exchange of written testimony on October 31, 2002; exchange of written rebuttal testimony on November 13, 2002, and hearing December 10-12, 2002.

Based on appearances at the prehearing conference, a revised service list has been developed and has been posted on the Commission's web site, <http://www.cpuc.ca.gov>. Further additions to the service list may be made by written request to the Commission's Process Office.

**IT IS RULED** that staff's report on results of a workshop will be filed and served on or before August 7, 2002, and comments on the report may be filed and served on or before August 21, 2002.

Dated July 15, 2002, at San Francisco, California.
